Dear children,

Hello! My name is Mrs Chambers and I will be your new Headteacher in September. I am very pleased to hear that you will be coming to Harrietsham Church of England Primary School. I have only been at Harrietsham for a year myself, so I know a little bit about how it feels to start a new school. I can't wait to meet you all and to show you around.

All of the teachers are looking forward to meeting you and your family; they are very good teachers and kind, caring adults. They are working hard to get your classrooms ready for you and they are already planning some very exciting lessons.

You may be feeling a little nervous about starting a new school and you may also be feeling very excited. We will make you feel safe and happy on your first day and you will have some time before your first day to meet other children and adults working at our school.

All of the teachers are looking forward to meeting you and finding out about the things you like to do and how we can make every day fun and full of learning. We know we will smile, laugh and learn a lot every day at Harrietsham Church of England Primary School.

We will see you soon, but, in the meantime, if you have any questions or if you would like to send me any pictures of your family, or anything fun you would like to share with me, then please do send this to headteacher@harrietsham.kent.sch.uk.

I can't wait to meet you all very soon!

Mrs Jackie Chambers
Your new Headteacher
