18<sup>th</sup> June 2025

Dear Families,

Next week, children across the school will participate in lessons about relationships as part of their Personal, Social, Health Education (PSHE) and Relationships and Sex Education (RSE) learning.

We anticipate that children may want to discuss with you some of the topics that will be explored as part of these sessions, so below you can find an outline of the lessons. During these lessons we will be using the scientific vocabulary to refer to body parts.

Topics will be covered sensitively and progressively and we will be using 'The Christopher Winter Project' as our scheme of work. If you wish to see a copy of our PSHE and Relationships Policy (which includes RSE) and a more detailed outline of what is taught, please see the links below. We do deal with the subjects covered sensitively and sensibly and we answer questions from the children honestly. However, if any questions are asked which we feel the whole group does not need to hear, we either talk to that child individually or check with the parent/carer if they would like us to answer.

Please do not hesitate to contact your child's class teacher if you have any questions regarding these lessons.

Thank you for your ongoing support.

Kind regards,

Jackie Chambers  
Headteacher

Year Group	Date (w/c)	Topics covered
Year 1	From w/c 23 <sup>rd</sup> June	Growing and Caring for Ourselves
Year 2		Differences
Year 3		Valuing Difference and Keeping Safe
Year 4		Growing Up
Year 5		Puberty
Year 6		Puberty, Relationships and Reproduction
