Nurtured We Flourish

Independent Safeguarding Review at Harrietsham Church of England Primary School

Dear Families,

In July 2026, our school commissioned an independent review by the LADO Education Safeguarding Advisory Service (LESAS). The review looked closely at how we keep children safe, support families and create a culture where every child can flourish. The day-long review included discussions with children, staff, governors and safeguarding leaders, scrutiny of safeguarding records and online safety arrangements and a tour of the school.
